

# Tutu Creation Workshop

Dust off your sewing machine and your skills!

Join us for a rare opportunity to learn from Randy Newsom, one of the last great tutu makers. You will learn to create beautiful tutus while helping the Academy refresh its costume stock. Participants must have a sewing machine and basic knowledge of its operation – all other materials are provided.

Saturdays and Sundays, August 10 & 11 and 17 & 18, 9am-4pm at the Academy.

There is no cost to participate, but donations to the instructor are appreciated.

Please RSVP by phone or email to the Academy office
