ACKNOWLEDGEMENTS

- Our Ballet levels which meet more than once per week have potentially large enrollments. In order to give all of our continuing students the greatest opportunity to receive in-person dance instruction, Ballet levels 3 and up are subject to a hybrid scheduling system, where students have in-person class one or more times per week alternating with remote class on other days. You will be given special registration instructions if this applies to your dancer's schedule.
- If the need for hybrid scheduling remains in effect beyond winter break, in-person/remote schedules may be reassigned to provide in-person opportunity to late-registering or new students.
- If the Academy is mandated to return to a previous Coronavirus response phase, in-person classes will convert to remote only. Further, any teacher who must for health and safety reasons, convert to remote teaching, will be permitted to do so. By signing below, you agree

to complete the current six-week session remotely in either instance. Refunds or credits will not be issued for this reason.

- Payment must be made online in advance, through the Academy office staff.
- Once payment is made, there will be no refunds or credits except for a documented medical reason.
- Dancers or parents who willfully disregard safety protocols will be asked to leave and no refunds will be given.
- I acknowledge the contagious nature of the Coronavirus and I further acknowledge that the Academy has put in place preventive measures to reduce the spread of the Coronavirus and that the Academy cannot guarantee that I/my student will not become infected with the Coronavirus.
- I voluntarily seek services provided by the Academy and acknowledge that I/my student must comply with all set procedures to reduce the spread while attending classes.
